

# Golden Sinai Acid Washed Pre-Sealed Limestone Paving

Warm, radiant, and effortlessly elegant, Golden Sinai Acid Washed Pre-Sealed Limestone Paving brings a touch of Mediterranean sunshine to your outdoor space. Featuring soft golden hues with delicate natural veining, each slab captures the beauty of natural stone while creating a welcoming backdrop for patios, garden terraces, pathways, courtyards, and outdoor dining areas.

The acid washed surface reveals the stone's character with a lightly textured finish that feels refined yet practical underfoot, while gently enhancing slip resistance. Pre-sealed for added protection, Golden Sinai paving is designed to resist staining and weathering, helping maintain its rich colour and natural charm with minimal upkeep.

Crafted from high-quality limestone, this paving offers dependable strength and durability, making it suitable for both private gardens and high-traffic landscape projects. Its timeless colour palette pairs beautifully with greenery, timber, and contemporary materials, allowing it to complement classic country gardens as easily as modern outdoor spaces. Golden Sinai Limestone isn't just paving, it's a warm, lasting foundation for outdoor living, combining natural beauty, premium quality, and enduring performance in every stone.

# Product Information

## Option 1

- Acid Washed Surface with Sawn Edges
