

# Ruston UWF Tumbled Clay Pavers

Elevate your projects with the enduring beauty of Ruston UWF Tumbled Clay Pavers. Crafted by Wienerberger, these pavers were formerly known as Baksteen Crimson, a name synonymous with quality. Now reborn as Ruston UWF, they offer a captivating aesthetic that complements a variety of garden design styles.

The deep red, brown, grey and buff hues evoke all the charm of well-worn carriage drives and courtyards. Tumbled edges create a subtle weathered effect, adding depth and character.

**Durable:** Built to withstand the elements, Ruston UWF pavers are a long-lasting investment.  
**Frost-hardy:** Perfect for all climates, they'll grace your gardens year-round.

**Easy to Work With:** The pavers' exceptional craftsmanship ensures a seamless installation process.

Unleash your creativity create grand driveways and winding paths to intimate seating areas and elegant courtyards, Ruston UWF pavers are the perfect canvas for your vision.  
Create cohesive precincts: The timeless aesthetic seamlessly integrates with various design elements, allowing you to craft a unified outdoor space.
